Introduction

Welcome to the Adelaide Jeep Club.

The Adelaide Jeep Club was founded in 1999 and it currently has approximately 60 active Jeeps. We are made up of people of all ages who have a sense of proud ownership of Jeeps, and a passion for 4-wheel drive adventure.

The Club also welcomes and encourages owners of other 4WD vehicles.

The Adelaide Jeep Club is a non-profit organisation and its main aim is to bring together owners of Jeeps to experience the challenges of 4 wheel driving. We aim to do this in a safe manner, to learn and understand more about the capabilities of our vehicles, to improve and appreciate our driving abilities and to provide regular social outings.

Whilst on outings the Club stresses safety at all times, and it has a close affiliation with the South Australian Association of Four Wheel Drive Clubs Inc. through whom regular educational 4WD courses are conducted for the benefit of Club members. This results in enhancing the pleasure and raising awareness of the responsibilities of owning a Jeep as a 4WD recreational vehicle.

Sponsor Involvement and Benefits

The Adelaide Jeep Club greatly appreciates and values the contribution of our sponsors and will endeavour, wherever possible, to reciprocate their support by encouraging its members to support the sponsors' products.

We have many other Adelaide stores that give us discount. It is advised to talk to the President, or talk with other members at a club meeting.

Benefits

Knowledge – we have a great range of expertise in our Club from people who are mechanically minded, people who are widely travelled, people who are experienced in four wheel driving. Along with the back-up and support of Adelaide City Chrysler Jeep, we are virtually covered in all areas.

Group Participation – there is nothing like safety in numbers! We encourage participation on all levels, and we are not a club just for hardcore 4WD enthusiasts. We are more a social and friendly club than anything else.

Special Deals – we have arranged special deals with many suppliers to provide competitive prices for members of our Club. Companies like ARB, City Discount Tyres, Opposite Lock, Business 2000 all provide Adelaide Jeep Club members with special prices. There is nothing like the power of a buying group, so join and make it even more powerful.

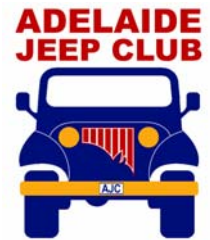

Maintenance Tips – buying a car, particularly a 4WD, is a major exercise. Taking it off road can also put a strain not just on the car but the budget. With the assistance of Adelaide City Chrysler Jeep we regularly hold in-workshop maintenance evenings where one of the service team takes us through the main areas of maintaining your Jeep, and what you should and should not do to extend the life of your vehicle. Important tips for emergency situations are also discussed.

Hire Equipment - snatch straps, bow shackles, air compressor, trip spares, UHF hand-held radios, folding shovel, test lamp, hose clamp pliers, puncture repair kit and other useful 4WD accessories available to Club members for their own use at special rates.

Networking – we all have lives outside of the Club. Adelaide Jeep Club helps our members get together to learn from each other, form partnerships and possibly strategic alliances. An exciting marketing opportunity might be waiting around the corner – don't forget your business cards!

Fun – the most important ingredient of all! We make sure we have fun. Being involved in a club like this provides opportunities to learn, experience, develop skills and go four-wheel driving. But most importantly it is to have fun. Come and find out for yourself.
