[www.slotcarsadelaide.com](http://www.slotcarsadelaide.com)

(Actual address to be given to attending members closer to the event. Don't really want the whole internet coming along)

**What?:** • Good humoured racing on a rather impressive 2 lane, 24m slot car rack.

• Different classes of 1/32 scale vehicles include F1 and Aussie Touring cars.

• 2 minute head to head races = quick turnaround and not so much waiting around for your turn. Cars are supplied.

• All ages welcome on the night, although we probably wouldn't recommend racers under the age of 12. It's harder than you might at first think...

**Bring:** • Soft Drinks, Beer, chips, dips etc. Some ordered pizza last time  
• Folding chairs  
• Appropriate clothing for the weather on the night. We are essentially racing in a large open shed.

**Cost:** Around \$5 for trophies on the night. (Subject to slight increase depending on numbers, quality of trophies etc)

**RSVP:** **There is no club meeting between now and 6th Feb!**

So please contact organiser Tom Brown **right now** to book yourself in.
